Venez entrer dans la joie  
Ce sera une journée joyeuse  
Venez entrer dans la joie.*

## **Opening Hymn: #38 Morning has Broken**

*Morning has broken like the first morning,  
Blackbird has spoken like the first bird.  
Praise for the singing! Praise for the morning!  
Praise for them, springing fresh from the Word!*

*Sweet the rain's new fall sunlit from heaven,  
like the first dewfall on the first grass.  
Praise for the sweetness of the wet garden,  
sprung in completeness where God's feet pass.*

*Mine is the sunlight! Mine is the morning  
born of the one light Eden saw play!  
Praise with elation, praise every morning,  
God's recreation of the new day!*

## **Affirmation**

*This we promise one to another  
We shall seek our truth with love  
We shall celebrate our lives together  
With all our joys and sorrows  
Thus may we enjoy the blessings of love among us*

## **Offertory**

<i>From you, I receive</i>	<i>De toi je reçois</i>
<i>To you, I give</i>	<i>À toi je donne</i>
<i>Together we share</i>	<i>Ensemble on partage</i>
<i>And by this we live</i>	<i>Une offrande de vie</i>

## **Closing Hymn #1014: Standing on the Side of Love**

*The promise of the Spirit,  
Faith, hope and love abide,  
And so every soul is blessed and made whole,  
The truth in our hearts is our guide.*

*We are standing on the side of love,  
Hands joined together as hearts beat as one.  
Emboldened by faith, we dare to proclaim,  
We are standing on the side of love.*

*Sometimes we build a barrier,  
To keep love tightly bound,  
Corrupted by fear, unwilling to hear,  
Denying the beauty we've found.*

*We are standing on the side of love,  
Hands joined together as hearts beat as one.  
Emboldened by faith, we dare to proclaim,  
We are standing on the side of love.*

*A bright new day is dawning,  
When love will not divide.  
Reflections of grace in every embrace,  
Fulfilling the vision divine.*

*We are standing on the side of love,  
Hands joined together as hearts beat as one.  
Emboldened by faith, we dare to proclaim,  
We are standing on the side of love.  
We are standing on the side of love.*

**Postlude**

*Go now in peace*

*Allons en paix*

*Go now in peace*

*Allons en paix*

*May the joy of love surround you*

*Que nos jours soient remplis de bonheur*

*Everywhere, everywhere you*

*Et de joie, et d'amour, pour toujours*

*may go*
