Opening Hymn

No. 360 Here We Have Gathered

Words & Music: Alicia S. Carpenter

*Here we have gathered, gathered side by
side,
circle of kinship, come and step inside!
May all who seek here find a kindly word,
may all who speak here feel they have been
heard.
Sing now together this, our heart's own song.*

*Here we have gathered, called to celebrate
days of our lifetimes, matters small and
great:
we of all ages, women, children, men,
infants and sages, sharing what we can.
Sing now together this, our hearts' own song.*

*Life has its battles, sorrows, and regret,
but in the shadows, let us not forget:
we who now gather know each other's pain,
kindness can heal us: as we give, we gain.
Sing now in friendship this, our hearts' own
song.*

Affirmation

*This we promise one to another
We shall seek our truth with love
We shall celebrate our lives together
With all our joys and sorrows
Thus may we enjoy the blessings of love
among us*

*Nous nous promettons ceci, les uns aux
autres:
Nous chercherons notre vérité avec
amour.
Nous célébrerons nos vies ensemble,
Avec toutes nos joies et nos peines.
Ainsi, puissions-nous savourer les
bénédictions de l'amour entre nous.*

Offertory

*From you, I receive
To you, I give
Together we share
And by this we live*

*De toi je reçois
À toi je donne
Ensemble on partage
Une offrande de vie*

Hymn

No. 1008 When Our Heart Is in a Holy Place

Words & Music: Joyce Poley

Chorus: *When our heart is in a holy place,
When our heart is in a holy place
We are blessed with love and amazing grace,
When our heart is in a holy place.*

*When we trust the wisdom in each of us,
Ev'ry colour ev'ry creed and kind,
And we see our faces in each other's eyes,
Then our heart is in a holy place.*

Chorus: *When our heart is in a holy place,
When our heart is in a holy place
We are blessed with love and amazing grace,
When our heart is in a holy place.*

*When we tell our story from deep inside,
And we listen with a loving mind,
And we hear our voices in each other's words,
Then our heart is in a holy place.*

Chorus: *When our heart is in a holy place,
When our heart is in a holy place
We are blessed with love and amazing grace,
When our heart is in a holy place.*

*When we share the silence of sacred space,
And the God of our Heart stirs within,
And we feel the power of each other's faith,
Then our heart is in a holy place.*

Chorus: *When our heart is in a holy place,
When our heart is in a holy place
We are blessed with love and amazing grace,
When our heart is in a holy place.*

Closing Hymn

No. 354 We Laugh, We Cry

Words & Music: Shelly Jackson Dunham

*We laugh, we cry, we live, we die; we
dance, we sing our song.
We need to feel there's something here to
which we can belong.
We need to feel the freedom just to have
some time alone,
but most of all we need close friends we
can call our very own.
And we believe in life, and in the strength
of love;
and we have found a need to be together.
We have our hearts to give, we have our
thoughts to receive;
and we believe that sharing is an answer.*

*A child is born among us and we feel a
special glow.
We see time's endless journey as we
watch the baby grow.
We thrill to hear imagination freely running
wild.
We dedicate our minds and hearts to the
spirit of this child.
And we believe in life, and in the strength
of love;
and we have found a time to be together.
And with the grace of age, we share the
wonder of youth,
and we believe that growing is an answer.*

*Our lives are full of wonder and our time is
very brief.
The death of one among us fills us all with
pain and grief.
But as we live, so shall we die, and when
our lives are done
the memories we shared with friends, they
will linger on and on.
And we believe in life, and in the strength of
love,
and we have found a place to be together.
We have the right to grow, we have the gift
to believe
that peace within our living is an answer.*

*We seek elusive answers to the questions
of this life.
We seek to put an end to all the waste of
human strife.
We search for truth, equality, and blessed
peace of mind,
and then we come together here, to make
sense of what we find.
And we believe in life, and in the strength of
love;
and we have found a joy being together.
And in our search for peace, maybe we'll
finally see:
even to question, truly is an answer.*

Postlude

*Go now in peace
Go now in peace
May the joy of love surround you
Everywhere, everywhere you may go*

*Allons en paix
Allons en paix
Que nos jours soient remplis de bonheur
Et de joie, et d'amour, pour toujours*
